

LEE HIGH SCHOOL BASEBALL FIELD CARE

Spring & Summer Seasons

- **Call School Hotline to determine if field is open and playable: 703-883-4616. If field is closed, please do not play on the field!**
- **Do not play on field with standing water.**
- **Do not remove wet dirt from the mound, home plate or base cut outs.**
- **Please do all warm up exercises in the outfield and not on the infield.**
- **Do not throw batting practice in front of the mound on the grass. Use the batting cage for batting practice.**
- **Do not use the fence for pepper or to throw against.**
- **The light key is in the lock box on the fence behind home plate. The light switch is on the side of the press box.**
- **If the light key doesn't turn on lights, you must get a custodian in the school to open the electrical closet next to the light switch to reset the breaker.**
- **POST GAME MAINTENANCE:**
 1. **rake and level home plate area...fill and tamp holes**
 2. **rake and level pitchers mound and bullpen...fill and tamp rubber and landing area**
 3. **rake base cut outs and level holes around bases – do not rake dirt into the grass.**
 4. **clean dugout areas – throw all trash and litter into trash cans**
 5. **pick up all trash around stands and fence lines and batting cages.**
- **Turn off field lights (after the last game played).**
- **Notify commissioner of your league immediately with any problems.**

Please remember that failure to properly take care of this field can result in the loss of this field for future use by your team and your league. Help keep this facility in good shape for all users.
