

James Madison High School BASEBALL FIELD CARE

- Call the Madison Hotline to determine if field is open and playable:
703-883-4647
- Do not play on field with standing water.
- Do not remove wet dirt from the mound, home plate or baselines.
- Please do all warm up exercises in the outfield and not on the infield.
- No batting practice on the field. Use the cages only!!
- Do not use the fence for pepper, soft toss, T-work etc...
- POST GAME MAINTENANCE: (TEAMS PROVIDE THEIR OWN RACKS, TAMP, ETC...)
 1. rake and level home plate area...fill and tamp holes
 2. rake and level pitchers mound and bullpen...fill and tamp rubber and landing area
 3. rake and level around all bases – do not rake dirt into the grass
 4. clean dugout areas – throw all trash and litter into trash cans
 5. cover mound and home plate if threat of rain
 6. Pickup all trash around stands and fence lines and batting cages.
- Lights turn on and off automatically, you do not need to touch them. If a team tampers with the light system that league will not return to Madison to play.
- If the lights don't come on, call your league administrator and she/he will contact John Lingenfelter or David Cale to get them on.
- Notify commissioner of your league immediately with any problems.

Please remember that failure to properly take care of this field can result in the loss of this field for future use by your team and your league. Help keep this facility in good shape for all users.
