

NVTBL General Season Information – 2025

The Northern Virginia Travel Baseball League (NVTBL) is a Washington, D.C. metropolitan area youth baseball league for players age 8U thru 19U. NVTBL offers an improved level of competition for teams and a positive baseball experience for players and their parents. We provide game schedules, umpires, fields, and insurance, as well as administrative support so that registered teams can concentrate on the development of their players. Teams have flexibility to determine their availability, number of games, competitive level, tournament participation, roster selection & team philosophy.

WAIVERS & ROSTERS

Waivers and Rosters will all be located on our website (www.nvtbl.org). Coaches will need to enter the rosters in the system and then give the parent(s) the appropriate login & password for their team. Parents will need to login and electronically sign the waivers.

Background Checks

Fairfax County requires all coaches or anyone who has contact with the players to get an independent background check. All coaches who have any Fairfax County players on their roster must get and be able to produce an independent background check annually.
